

FALL RYE

New for 2026

Variety	Class	Code	Breeder	Distributor	Seed Availability
SU Bebop  VUA	OP	RT281	Hybro Saatzucht GmbH & Co. KG	FP Genetics Inc.	2025

Comments:

Hybrid fall rye varieties have improved falling number. Typically, a falling number of 180 seconds or greater is preferred by the rye milling market. Falling number can be heavily influenced by moisture around harvest time.
